MA and NH FY2015 Permits for EJSCREEN 110414.xlsx

Dave,

Thanks. Gordon or Jori will contact you directly if they have any questions about the data.

Alex

Alex,

Here is the data for the NPDES/EJ Maps (MA and NH) and charts. I think you only need the data from columns A (permit number), B (permit name), and D (Section, which indicates whether the individual permit is a municipal, industrial or stormwater permit). Let me know if you have question or need anything else for the request. Thanks.

David
